NOTICE: ACT SEEKING OUTSTANDING EDUCATORS TO WRITE PERFORMANCE LEVEL DESCRIPTORS (PLDs)

(BOISE) – ACT is seeking outstanding Idaho educators in Reading, English, Writing, Mathematics, and Science to write performance level descriptors (PLDs) at grades 3 through 10 for the ACT Aspire Assessments. ACT is inviting Idaho district leaders to nominate outstanding educators from your state to participate in the workshop to write PLDs scheduled for early March in Minneapolis.

The Aspire PLDs will define the knowledge and skills of students for four levels of achievement, (Exceeding, Ready, Close, In Need of Support). The Aspire PLDs will help parents and teachers understand the types of knowledge and skills that their students have demonstrated on Aspire.

ACT asks each of your nominees to complete the online nomination form using the following link: https://act.col.qualtrics.com/SE/?SID=SV_86eEwgvLOWDy5xP

Any questions or concerns may be directed to Teri Fisher, Project Coordinator, at teri.fisher@act.org.
